Hi Melissa,

Do you mean this filing by Ameren? It was filed in the AHC case regarding Sierra Club's 2015 permit appeal of the Ameren Labadie permit. Ameren had already been granted intervention, we've just been waiting on a ruling for the last year and a half.

I don't have the original complaint handy, and I'm going to be out most of the afternoon, but I'll track it down and send it to you, probably tomorrow. Sorry for any inconvenience, and thanks for understanding!

I received a copy of the notice to intervene by Ameren but was interested in the original filing by Sierra Club. Would you mind sending me a copy? Thanks!
